Ensuring the best of both worlds, the developers of Pepper Club five-star hotel, which will be opening soon in the heart of Cape Town, have launched Pepper Club on the Beach on Camps Bay beachfront. This multi-million rand beach club offers a fine dining restaurant and cocktail bar. Although open to the general public, guests of Pepper Club hotel will receive VIP treatment at the beach club and also have access to changing room facilities with showers and lockers for their convenience after a long, hard day at the beach. Visit www.pepperclub.co.za for more on the beach club or the hotel.
